

Cycle to School

Easy cycle routes into school from around the borough

Great Harwood Route

Great Harwood • Rishton • Church • St Christopher's
4.1 miles = 24 minutes

1. Start

Start at the top of the White Path/Great Harwood Green Way. Head south-west to National Cycle Route 6.

2. National Cycle Route 6 (1)

Turn left on to National Cycle Route 6 and continue straight following the canal tow path through Rishton.

3. High Street, Rishton

Pupils from Rishton can join the route here, where High Street crosses the canal at the bridge. Continue straight on towards Church.

4. National Cycle Route 6 (2)

Continue straight on to National Cycle Route 6 and leaving the canal tow path, following the route to Church Kirk Bridge

Farm.

5. St James' Church

At St James' Church turn left to continue on the canal.

Halfway point on the canal

You rejoin the canal at the halfway point between Liverpool and Leeds.

6. Swing bridge

Follow the canal to the swing bridge and turn right up to Dill Hall lane, this is a footpath at the present time so please walk this short uphill section.
