

Weekly Prayer Bulletin

Week 1 | 30 March 2020

“When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned.”

(Isaiah 43:2)

Please pray for the whole school community. Staff in work, staff teaching from home, cleaners, site supervisors and kitchen staff and the management team.

~

Remember to pray for our frontline NHS workers and all those who are risking their own health to help others. Pray that they would receive the protective equipment vital for their safety.

~

Remember the Government and its advisors as they seek to control and manage the Coronavirus. Give them wisdom and foresight.

~

Continue to remember year 11 and 13 as we all still wait for clear guidance from the examination boards as to how they will award grades this Summer. This is a very worrying and stressful time for them.

~

Pray that the Universities will make good and informed decisions about the numbers of students they will accept this year and that they will give a positive and clear message to all our students in Year 13.

~

Remember our Chaplaincy team and their Parishes.

~

Remember grandparents, those who are vulnerable and for those with dementia for who this is a bewildering time.

~

Finally pray for the Police, the Army, those who keep food on the shelves, all key workers and for those who are helping the vulnerable in our communities at this time.
