# **Gold DofE Practice Expedition Menu Planner**

Evening Meal: Chippy tea in Ambleside (provided by school)

Friday

One of the 20 conditions of the DofE Expedition section is that *participants must plan* an appropriate expedition menu, including cooking and eating a substantial hot meal on each day. This is optional on the final day.

Getting your food right can really make a big difference to how much you enjoy your Expedition. Try to design a menu which packs in as much energy (calories) into the least weight and volume as possible.

### **Day 4: Evening Meal**

At home! (McDonald's, Santa's, Chinese, Nan's roast dinner ©)

**Drinks:** Please make sure you carry enough water for each day, 1-2 litres. You'll be able to re-fill your water bottles in camp each morning (except in the wild camp). Concentrated, compact squash makes staying hydrated taste much nicer!

Please do not bring any glass containers. Tins should also be avoided because of their weight. Remove any unnecessary packaging and use freezer bags or tupperware containers instead.

Emergency rations (e.g. mint cake, nuts & raisins etc. sealed up)
