1. It is essential that we receive your completed application on registration day, **Thursday 24th August 2023**, to ensure that the service is viable.
2. Annual contributions have been agreed by the Governors of St Christopher's and will be reviewed on an annual basis.

If you are receiving benefits of some kind and have not applied for a bursary for your child, please contact school and we will send you more information.
5. We appreciate that some students may be able to travel more economically by other means therefore we suggest that you explore this option fully before entering into a contract with the school.
6. We want all passengers to enjoy a safe and pleasant journey therefore a Code of Conduct will be enclosed. Please tick the box on the standing order form to agree to abide by it.
7. **Your application will not be processed unless the payment section is completed or we receive a post-dated cheque for the 5th September 2023 for the full amount.**
