Getting ready for A-level French

I am delighted to welcome you to the A-level French course. This is a natural progression from GCSE to A-level, and many of the topics build on your GCSE knowledge.

Language skills need to be practised - us it or lose it! It is essential that over the summer you don't forget everything you have learnt!

In order to be fully prepared for September, please work through the tasks in this booklet. Some of the tasks are designed to revise GCSE topics, which will form the basis of A-level topics. There are also grammar tasks and some activities to help you to develop your cultural awareness.

- Try to do something most days, and certainly at least one hour per week on average.
- Don't leave it to the last minute!

Please keep all your GCSE notes and exercise books.
