Art & Design

A-level

Introduction

Creative skills are vital to British industry. A-level Art and Design will enable you to develop your artistic ability across an exciting range of techniques, experimenting with effects and concepts. This course is hands-on, with the emphasis on creating imaginative individual work. Students will visit galleries and take part in Art workshops to extend specialist skills and knowledge.

Why Art & Design?

- You will be well prepared for a future career in a creative industry
- Many students go on to further study leading to careers in graphic design, fashion, illustration, architecture, painting, sculpture and photography
- You will build a portfolio to use in university interviews
- You will have an opportunity to further develop your artistic skills
- Studying a practical subject can offer a contrast to more traditionally academic A-levels.

Any special requirements?

Entry will be determined by interviews, at which students must present a portfolio of work.

Art GCSE grade 5, or equivalent is also required for course entry.
