Getting a Bus Pass

1. Your parents should apply for a bus pass.
2. You will receive a form from the Education Office to get your bus pass.
3. You must carry your bus pass with you so that you can show it to the driver.

Using the Bus

- Look at the list of buses and routes they take. Decide which bus is best for you.
- Make sure you are at the bus stop in good time in the morning. At 3.15pm, leave the school promptly. Buses wait directly outside the school.
- Ask a teacher on duty if you need help.
- Have your bus fare or bus pass ready for the driver.
- Find a seat and sit down for the whole journey.
- Only get on and off the bus when the driver allows.

Using a Car

If you really do have to come to school by car, try to follow this advice:

- Make sure that you and your parent **allow enough time** for the journey each morning.
- Ask your parent **not to stop** on the hatched lines outside school as this is against the law.
- Try to get your parents to drop you off at **a safe spot** a short distance away from school so that you can finish your journey on foot.
- Come **straight into school** when you are dropped off.

Walking to School

- Talk to your parent about your journey and decide on the **safest route** for you to walk.
- Try out this route a few times before September so that it **becomes familiar**.
- Work out how much time you will need in the morning and what time you will need to leave in order to get here for 8.35am. **School starts at 8.45am.**
- If possible, walk with other **St Christopher's pupils**.
- Follow your **road safety training** when crossing any roads, no matter how small.

What if there is a problem?

Year Seven mentors and teachers will be at the school entrance at the end of each day. They will be happy to advise you on getting on the correct bus, or leaving school in the right direction to meet your parents or walk home.
